DOGS IN VEHICLES ON HOT DAYS

Your attention is drawn to the latest Kennel Club guidelines to Show Organisers regarding dogs left in cars at shows on hot days. It is considered that the act of causing suffering to a dog as a result of it being left in a car by an exhibitor or the owner of a registered dog on a hot day could be considered discreditable or prejudicial to the interests of the canine world and could form the basis of a case under Kennel Club Rule A42.

Warning: If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

RING NUMBERS (write your own) – There will be blank cards available at Secretary Desk for competitors to write out their ring number to display (optional but can make the stewards job much easier).

REFRESHMENTS

Food and Refreshments will be available at this show from the Service Hatch on the side of the Barn (look for the small conservatory entrance).

PARKING, PRIVATE ACCESS and DOG EXERCISE AREAS

Parking will be situated immediately next to or on the show field, please follow the parking stewards' instructions on where to park. Please do not allow your dog to foul on venue flowerbeds, accommodation buildings and landscaped shrubbery. There is an exercise area provided and plenty of space at the bottom of the field to walk the dogs away from any buildings. Please pick up after your dog and place in the bins available and make sure that your dog is under control at all times. **There will be non-show people camping in the campsite so please keep away from this area unless you are camping onsite.**
